# Kensington

made to measure

**Who said you can't have beauty and brains?**

**Intelligent storage solutions designed to maximise space and create effortless order lie at the heart of the Kensington range.**

Whether you long for understated elegance or sumptuous luxury, the Kensington range of steel framed mirrors and decorative sliding solid doors can be tailored to suit your exact requirements.

Design the bedroom you've always dreamt of with a superb range of frame finishes, such as our stunning chrome effect, warm wood grain and scratch resistant vinyl or paint.

Create the illusion of greater space with the addition of mirror panels that can be tinted to add warmth and subtle colour to your bedroom ambiance, or diamond cut to add an air of refined elegance. Add a solid door panel to blend with your bedroom furniture to create a fully integrated design statement.

And with a comprehensive range of interior components to help you organise your clothes and personal items, you can say goodbye to cluttered and chaotic cupboards for ever.

## DEFINED DESIGN

**THE BEDROOM SAYS A LOT ABOUT YOUR HOME WHICH IS WHY DESIGN IS SO IMPORTANT.**

With its sharply defined frame and eclectic selection of coloured and textured finishes, this range is the ultimate in chic.

Inspired by contemporary trends for sleek lines and shared with an audaciously bold silhouette, the Chics's intentions are to make a loud style statement which won't fail to exceed expectations.

Added to the mix are a variety of wonderfully 'unique' idiosyncratic glass and decor panels, which lend a hand in embracing the cutting edge design, collectively bringing the system to life.
